ABOUT US

Construction building and renovation experts

Anthonia's Construction is a 100% black female-owned and controlled organisation that is registered with the NHBRC. The company was established in 2018 and consists of a consortium of experienced businesses that specialise in the construction and manufacturing industries. We have the commitment, skills and resources to meet the requirements of our customers. We are a hands-on, start-to-finish group of experts taking on the challenge of rebuilding South Africa and beyond.

Core Values

- Honesty
- Integrity
- Reliability
- Professionalism and Quality
- Confidentiality and Integrity

Eco-Friendly Solutions

We follow stringent guidelines and methodologies to deliver the finest graded structures and products which are friendly to our environment.

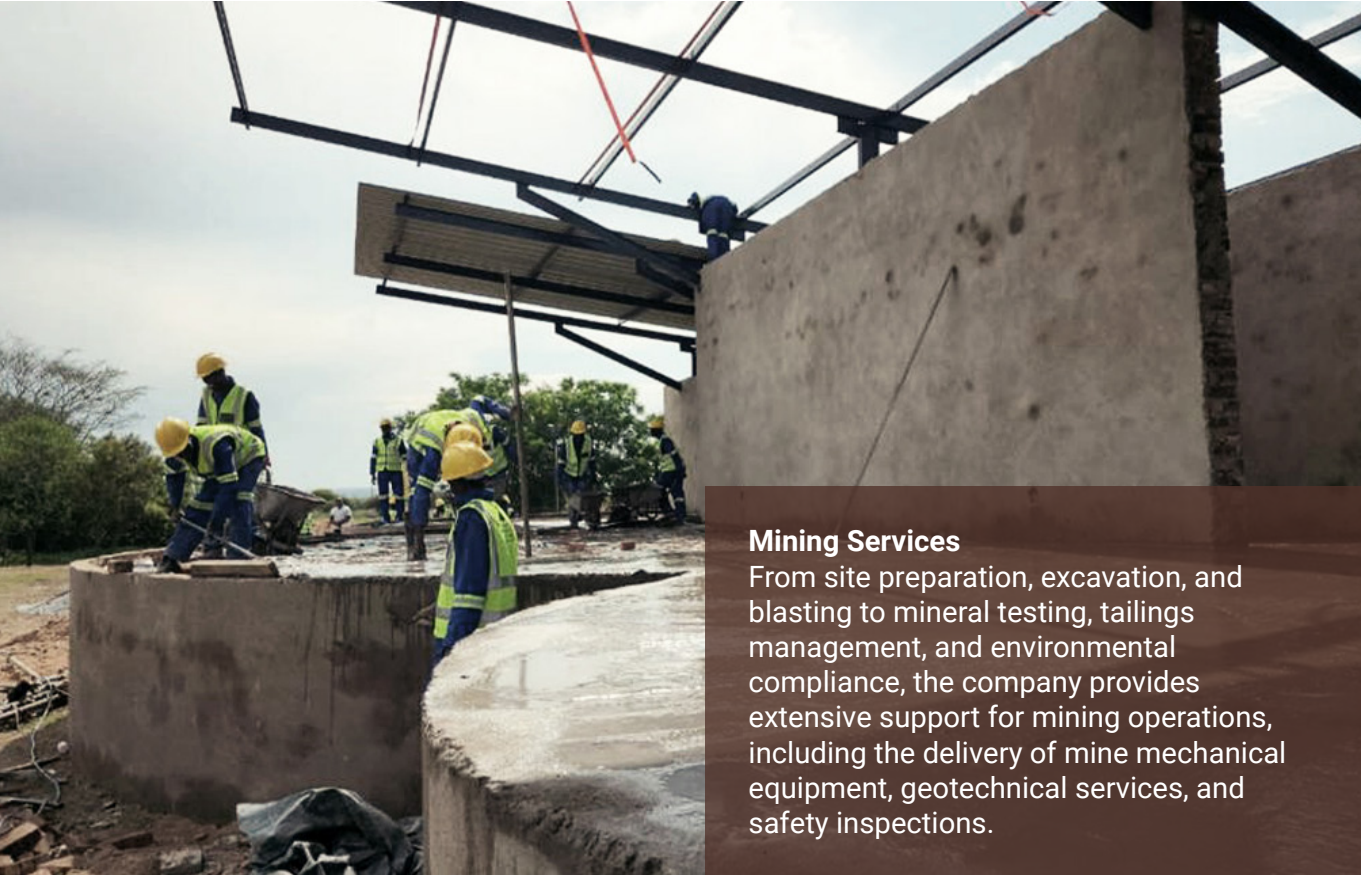

Quality Guarantee

Using industry management tools and techniques, we are able to guarantee our customers exceptional products and services.

Industry Experts

We invest in expertise to reaffirm our customers' peace of mind. It is our utmost responsibility to ensure satisfactory results in everything we touch.

Mining Services

From site preparation, excavation, and blasting to mineral testing, tailings management, and environmental compliance, the company provides extensive support for mining operations, including the delivery of mine mechanical equipment, geotechnical services, and safety inspections.

WHAT WE DO

Bringing new thinking to the ways of old

We specialise in delivering high-quality results, timely project completions, and exceptional customer satisfaction. Let us bring your projects to life with our expertise and dedication.

General Construction

We manage infrastructure, treating it as a developmental production.

Property Maintenance

We offer professional home renovation, home remodeling, office renovation and office remodeling services.

Sanitisers

We manufacture bulk hand sanitisers, locally produced in South Africa.

Our reach extends beyond the borders of South Africa.

We are a company that prides itself on 'family' culture. We seek high calibre people and set even higher standards. We are a company that has, at its core, a team philosophy that is tightly integrated in our day-to-day operation – there is a real sense of responsibility among our staff. We believe in nurturing the skills of our team members and providing growing levels of responsibility and opportunity.
